

Ceremony 1952

April 21, 1952

Dear Professor Reiff:

Thank you for your letter of April 19, disappointing though it is to us that you cannot attend the ceremony honoring Thomas Paine.

Regarding Matthew Maury - you may be interested to know that he was elected to the Hall of Fame in 1930, and that his bronzes were unveiled the following year, with a ceremony similar to that which we shall have on the 13th of May for Susan B. Anthony and Thomas Paine.

In another cover, we are happy to send you some material relating to the Hall of Fame, all of which we hope will be of interest to you.

Cordially yours,

Bertha L. Lyons (Mrs. N.)

Professor Henry Reiff
